1. List any new members or subcommittee members:

- James Miller resigned from the committee
- Theresa Anselmo and Julia Wacloff did not participate during 2017

2. Describe the purpose of your committee:

The committee oversees all of the activities of the Association regarding the National Oral Health Surveillance System, BRFSS, YRBS, PRAMS, the Synopses of State Dental Public Health Programs, and BSS training and technical assistance. A Coordinator and various advisory groups work with committee members to accomplish all objectives. The coordinator and an additional consultant provide technical assistance and training to states on oral health assessment and surveillance. The Data Committee also assists other ASTDD Committees with their data collection activities.

3. List your recent committee accomplishments:

The committee completed the 2017 Synopses reports, updated the 2018 synopses questionnaire, completed the 2016 oral health program salary survey report, completed the oral health surveillance BPAR, updated the Children's BSS toolkit, updated the data resource guide, completed the Data into Action webinar series, updated the committee's logic model and workplan, and began the process of updating the Older Adult BSS toolkit. In addition, Data Committee consultants (Kathy Phipps and Mike Manz) assisted several states with the development and implementation of oral health surveys using the Basic Screening Survey protocol.

4. Describe your current committee activity:

The Committee has been asked to review and prioritize the HP2020 oral health objectives in preparation for the development of the HP2030 oral health objectives.

5. Describe the future activities planned by your committee:

The Committee will be assisting with the prioritization of the HP2030 objectives, the update of the Older Adult BSS toolkit, the 2018 Synopses report, and the 2018 salary survey.

6. Describe any subcommittees your committee uses, their roles and activities:

None

7. List any unmet needs of your committee (e.g., members, funding, etc.):
