

**ASTDD State Development and Enhancement Committee Annual
Report
Jan 1, 2017 – Dec 31, 2017**

Chair: Cathleen Taylor-Osborne

Consultant: Bev Isman

Original Members: Lori Kepler Cofano, John Dane, Steven P. Geiermann, Harry Goodman, Lewis N. Lampiris, Reginald Louie, Greg McClure, Julie McKee, Lynn Douglas Mouden, Dean Perkins, Jason Roush, Bobby D. Russell, Christine Wood, Kimberlie J. Yineman

1. List any new members or subcommittee members: Nicki Bennett from HRSA and Sarah Tomlinson from NC SOHP. Don Marianos was on leave this year due to family caregiving responsibilities; Reg Louie and Harry asked to be taken off the committee as they have too many family and other consulting responsibilities. Greg McClure passed away in November.

2. Describe the purpose of your committee:

The goal of this committee is to promote and support State Oral Health Programs (SOHP) and SOHP leadership and staff development through a variety of resources. The committee also oversees ASTDD orientation, mentoring and professional development activities through workshops and webcasts as well as referring members to other learning and leadership opportunities. Various levels of technical assistance are offered, including consultant advice on a specific topic. The committee meets quarterly by phone and has begun to accomplish activities primarily through workgroups.

3. List your recent committee accomplishments:

- Logic model and workplan were updated for 2017-18.
- Completed OH 101: 3 modules with PPT slides incorporating elements originally in the syllabus; ppts were posted. Will announce posting in January.
- DPH 101: 1/1-6/30: syllabus=153; ppt=256; the website tracking function was not working from August on except for Sept.
- Held two NOHC Preconference workshops: *Dynamic Group Facilitation* (32 registrants) and *Project Management* (37 registrants) facilitated by Emory Univ faculty Linelle Blais and Cecelia Shore;
- BOD chose two leadership training sessions conducted by Skillpath on *Adaptive Leadership* and *Cross Functional Leadership*; verbal evaluation feedback was positive.
- Networking tables supported by SDEC at ASTDD annual meeting: Mary Davis: *Quality Improvement and State Oral Health Programs*; Barb Park: *Demonstrating the Value Add of OH by Supporting Population-Based Chronic Disease Priorities*

in States and Communities; Carissa Beatty: *HI-5! Moving Toward High Impact Strategies for Improving Population Health*.

- Completed and posted QI/PM OH Toolkit with Mary Davis as the consultant and the work falling primarily under the Perinatal OH committee but reviewed by SDEC.
- SOHP—*Make Them Part of your PH Experience or Career* handout was distributed and promoted at ADEA and NOHC exhibit and DPH residency director meeting; promoted in weekly digest and OHM. From 1/1/17 -7/31/17 217 people had viewed the document on the website
- Provided significant TA to states through NPM13 contract, to HI, to CA, and also to PA via a contract with Harry Goodman.
- Held two conference calls in March and October.
- New BOD members started in April. As of 12/17 we had 27 Members, 7 Life Members, 86 Associate Members, 37 non-members on ASTDD committees.
- Recruited 5 new peer mentors: Angie Bailey, Rudy Blea, Katya Mauritsen, Kim Michelson and Julia Wacloff
- Eight mentors/mentees have completed the 1-year evals and ten the 6-month evals. Some evaluations were reviewed and information analyzed and included in the Year 04 CDC progress report and used by the Peer Support workgroup; more recent ones will be used for the 5-year CDC final report. Four certificates of completion were issued.
- This year we added 93 new associate members including one organizational member, Community Treatment, Inc, for a total of 236 associate members. Chris Veschusio contacted and oriented new Associate members to varying degrees via email.
- Updated Evaluation and QI webpage.
- Continued to serve on the ASTHO Affiliate Council, Access Policy Committee, Prevention Policy Committee and Tobacco Issues Forum
- Have minimal involvement (mostly Chris) in contract from CHCS to help with a National OH Leadership Institute funded by DentaQuest Foundation for state dental directors and Medicaid dental directors
- Chronic Disease Coordination Workgroup: lead is Barb Park and we have members on the workgroup; they have had 4 calls; completed logic model and workplan (see Barb Park's report.)
- OH Workforce: Access to Care BPAR: our workgroup worked with a UCSF DPH resident on initial literature review; switched to an IA resident to continue to write the narrative. Next draft due January 6.
- OH Coalitions/Partnerships BPAR: Judy Feinstein is lead author; we have members on the workgroup and she has discussed the content with ANOHC.
- Infrastructure Enhancement Report Update: updated some of the ROI table and Next Steps portion; Kathy Phipps ran 5-year trend tables and reviewed with Bev; reviewed narrative to determine what needs to be updated; deciding what additional data and surveys need to be done.
- Started updating the ASTDD Guidelines Part II matrix.

4. Describe your current committee activity:

- Continue the IEP Report Update.
- Finish Guidelines updates in January.
- Do OH 101 recordings of modules in January.
- Provide assistance to CHCS as requested for the NOHLI.
- Finish OH Workforce: Access to Care BPAR with Best Practices Committee; Next OH Workforce BPAR call will be in January.
- Provide input on OH Coalitions and Partnerships BPAR as requested.
- Provide input to Chronic Disease workgroup as requested.
- Provide TA to states as requests are received; document on TA form and/or in report.
- Provide continuing orientation and mentoring as appropriate and requested to new state dental directors and new associate members.

5. Describe the future activities planned by your committee:

- Hold mentoring workshop for the BOD and selected other potential mentors on Saturday am at the NOHC.
- Bob Russell and Dean Perkins present a pre-conference session on Navigating Government Bureaucracy on Saturday afternoon.
- Finish the IEP report update.

6. Describe any subcommittees your committee uses, their roles and activities:

New Member Services, Infrastructure Enhancement Report Update; other workgroups we've had will not continue as their work is finished; will convene new workgroups as needed.

7. List any unmet needs of your committee (e.g., members, funding, etc.):

Need more active involvement of some members; hopefully that will occur through future workgroups.
